Product description:

Adjustseal is an adjustable plastic seal manufactured by LeghornGroup for over 20 years.
Adjustseal has a diameter of 3.3mm and is available in two length sizes: 315mm and 425mm

It is made of polypropylene, 100% recyclable plastic and it is suitable to be used for different applications. Adjustseal is available in stock for immediate dispatch with LeghornGroup standard marking – SEALED and progressive numbering. It can be also customised with the company logo, exclusive progressive numbering, barcode or data matrix.

© 2023 LeghornGroup IT Team 7401-A671

How to use it

Insert the seal tail inside the door handle holes.

Insert the tail of the seal in the back hole of the seal head.

Pull the tail of the seal as much as possible to guarantee maximum security.
