# Quality matters

# Looking forward to investing in future

- R&D investments 2012-2022 exceeding **3.5 Meuro**
- **14** Utility Models, **4** International Patents
- Product compliance with technical specification of **International Standards ISO17712, ISO18000-63**
- Permanent Agreement with University of Pisa - Economics and Communications Science

- Consolidated network of Distributors and Resellers worldwide - **Partners' Network Program**
- **EU granted initiatives** for CEF, Connecting Europe Facilities and TEN-T, Trans-European Transport Networks in Europe
- **Technical Partner** for major Italian players in transport, logistics and energy distribution

*Moving on a global scale with a human scale*

- Social responsibility – **Code of Ethics**
- Production sustainability - **Made in Italy, Make in India**
- Environment - **Eco-friendly products**

# Shaping the future of transport & logistics digitalisation

**Facilitating  
international  
trades without  
compromising  
on security**

**Harmonisation of transport  
ecosystem**

**Digitalisation of logistics processes**

**Synchromodal transportation**

# e-Seals

RFID enables smarter logistics

*Cargo handling and  
security at its top*

# Why three-state RFID electronic seals are an amazing product that will revolutionize the world of transport & logistics?

- Higher efficiency in operation and processes - Resource and capital optimisation
- Higher level of security
- Meet trade single window, e-commerce, and risk management

# Rocket to the sky!

## No challenge is too challenging!

*If you have any issue with securing your assets, products and processes please contact us:*
